

## **BOOST YOUR CHILD'S SUCCESS**

Find out how to strengthen your child's foundation for success in school, work and life with the United Way Born Learning Academy. Join us for a series of six free workshops that provide your family with tools and resources to turn everyday activities into early learning moments. The workshops are at night in local schools, with food and childcare provided. And you'll get lots of fun activities to help your child learn—anywhere, anytime.

### **About United Way Born Learning Academy**

United Way Born Learning Academy is a public engagement campaign helping parents, caregivers and communities create early learning opportunities for young children. Designed to support parents in their critical role as a child's first teacher, Born Learning educational materials have been available through the efforts of United Way since 2005. In 2007, United Way of Greater Cincinnati Success By 6, Kenton County Schools under the direction of former Superintendent Tim Hanner and Northern Kentucky University partnered to develop the Born Learning Academy. The Born Learning Academy is a series of parent workshops that engage expectant parents and families with young children to support early learning and school readiness. With support from Toyota Motor Manufacturing Kentucky, Born Learning Academies are designed to increase kindergarten readiness in the Northern Kentucky area, and will undergo a national replication process to increase kindergarten readiness across the United States. Early childhood faculty members Dr. Helene Arbouet Harte and Dr. Jaesook Gilbert of Northern Kentucky University developed the parent workshop curriculum, training guide and supplemental materials.
